

# Full Life Assembly of God

## Come Experience a Full Life in Christ

In November of 1979, Melvin Dowers founded First Assembly of God in DeQuincy with prayer meetings being held in the old hardware building. Starting in an old barn on Plum Street, the church began with twelve members, with the first official service held on Jan. 14, 1980.

Over a period of 38 years, the church has had several great pastors, including the late Rev. Ken and Dolores Hooper who pastored the church for 11 years. It was under their pastorage that the church was re-named Full Life Assembly.

In December of 2007, Pastor Greg Cavenah and his family joined Assembly of God agreeing to pastor the flock on a full time basis. Full Life is affiliated and under the direction of the La. District Council of Assemblies of God in Alexandria.

Since the time of Pastor Greg's leadership, Full Life has constructed a new Worship sanctuary to hold the number of increasing members. The first service was held in their new facility in November of 2010. In 2015 they celebrated the grand opening of the Children's Worship Facility and Fellowship Hall.

Ignite Youth Ministries meet every Wednesday evening at 6:30 p.m., in the Youth Hall, led by a Team of Leaders Dedicated to the vision to equip young people with the Word of God, and provide them with the tools they

need to fulfill the call of God on their life. Along with the teaching and equipping, we also plan outings which involve fun time allowing all the young people to build strong healthy relationships.

Alternating Tuesday evenings are for all who are battling addictions and life issues that need an "extra" hand in getting a hold on these battles. Pastor Greg's mother, Patsy Cavenah, ministers on a one to one basis and in a group setting. Patsy is the founder of Lighthouse Ministries in Reeves, a home for unwed mothers.

We have groups that are beneficial for times of fun, fellowship and learning about one another, as a family of God, held throughout the year.

Full Life Assembly is a mission minded church, with people who love helping with projects within our community. We love meeting all the new faces and meeting you at our Annual Harvest Festival and the Railroad Festival. We also give to worldwide, international and foreign missions. We want to be the hands and feet of Jesus and reach the lost and dying world for the cause of Christ. Our Vision Statement is "Where you have no past, only a future", and we are restoring hope and renewing vision.

### From the Pastor's Heart

Born and raised in a Godly home, at the age of 16, I strayed away from my Godly roots that led me into a dark life of drugs and alcohol where I spent years in bondage, destroying my life and family. After being in/out of jail, in five drug rehabs, hitting the bottom many times, I was faced with a prison sentence. My body, sick and tired of the drugs, I was ready to end it all. Having nowhere to turn, I began to cry out for God's mercy, with everything against me, except a praying mother who refused to let the enemy destroy me.

It was then that I prayed, "God, can you do anything with a man like me?" I always knew that God loved me, but that day I felt His love in a tangible way and I knew He had washed and cleansed me of all my sins.

The Bible says, that "If we confess our sins, He is faithful and just to forgive us of our sins and to cleanse us of all unrighteousness." I John 1:9

That day, God delivered me, never to return back to that lifestyle. After being in church for 3 months, I prayed for a Godly woman to come into my life. It was then that I met my wife to be. Married not even a year, I was seriously injured when a tree fell on me and broke my back in four places, tore my spinal cord and left me paralyzed from the waist down. I spent 7 months in the hospital, where doctors diagnosed me as a paraplegic. They said I would never walk again.

But God had a different plan for me. After 3 mos. of laying paralyzed I began to get movement. I began to get strength in my legs and in my body. After months of rehabilitation I walked out of the hospital on my own two legs!

We serve a God who still performs miracles. If He did it for me, He can do it for you. Together, our family, and our church congregation, would like to extend a warm invitation to you to visit us here, where the Spirit of the Lord is allowed to flow freely.
